Day 1, Ushuaia:

No need to stress about missed connections or flight delays as you arrive with plenty of time to unwind and enjoy all that the luxurious Arakur Resort & Spa has to offer, or head out and discover the southernmost city in the world, Ushuaia.

Day 2, Ushuaia:

Explore the sights of Ushuaia such as the museums and Argentinean leather markets or relax in style and comfort at the hotel. Attend the optional evening briefing for the opportunity to ask questions and meet some of your fellow explorers

Day 3, Embarkation:

After a final morning exploring Ushuaia or unwinding at the resort, our mid-afternoon transfer will take you to the beautiful MS Seaventure. Our Expedition Team and ship staff will greet you on board, followed by a safety and orientation briefing and Captain's welcome dinner. You're on your way to Antarctica.

Day 4-5, Drake Passage:

Join our Polar Experts in the lounge to immerse yourself in all things Antarctic, from its fascinating wildlife to its adventurous history; choose to participate in our renowned Citizen Science program; or sit back and take in this fabled journey while catching your first glimpses of wildlife. Grab your binoculars to identify the many seabirds that follow the ship. As we cross the Antarctic Convergence into Antarctic waters, you'll start to notice the cooler temperatures, your cue to get ready for that first iceberg sighting, an unforgettable moment on every journey.

Day 6, South Shetland Islands:

The volcanic South Shetland Islands offer both abundance and beauty. So, time to launch our Zodiacs and spend as much time as possible taking it all in. Be prepared to have your mind blown, courtesy of Mother Nature at her absolute unspoiled finest.

Day 7-10, Antarctica:

It's time to slow our ship down, the better to explore the dreamlike world all around us and let the power of this amazing place sink in. This is your opportunity to get more intimately acquainted with Antarctica by Zodiac, kayak, snowshoe, or on a magical night of camping, as you look up at the stars or listen to the ethereal call of a nearby whale. For those engaged in our Citizen Science program, the work of understanding this fragile environment continues. Be sure to keep your camera handy, as penguins, seals and whale sightings are all part of this incredible experience. And a passing iceberg, its magical blue light seeming to glow from within, is something you'll want to share with friends back home.

Day 11-12, Drake Passage:

Time to leave this magical place inspired, exhausted, and most likely changed forever. We make our way north, once again crossing the legendary Drake Passage. We'll have one last hurrah as we celebrate the conclusion of our expedition with a special slideshow and photography awards ceremony, then a final meal together.

Day 13, Ushuaia Disembarkation:

With huge smiles on weary, content faces, and perhaps some new friends for life, we disembark in the morning, letting you catch a flight to Buenos Aires or stay in Ushuaia for more sights and adventure.
